

FOREIGN NATIONAL ACCESS TO HONEYWELL DEER VALLEY FACILITY

For physical access as a visitor to the Honeywell Deer Valley facility:

If you are a US Citizen or have a Green Card for US Citizenship, you do not need to be in the Visitor's Foreign National database, but will require an escort. If you have a Green Card, you must carry it with you and present to Security each time you enter the facility.

If you are a foreign person with citizenship of another country, you will need to be entered into the Foreign National database. For this, we require the following information.

You will also need to have your passport with you to enter the facility.
