

## FOREIGN NATIONAL ACCESS TO HONEYWELL DEER VALLEY FACILITY

For physical access as a visitor to the Honeywell Deer Valley facility:

If you are a US Citizen or have a Green Card for US Citizenship, you do not need to be in the Visitor's Foreign National database, but will require an escort. If you have a Green Card, you must carry it with you and present to Security each time you enter the facility.

If you are a foreign person with citizenship of another country, you will need to be entered into the Foreign National database. For this, we require the following information.

**You will also need to have your passport with you to enter the facility.**

Thank you.
