

OPC Foundation

Call for Participation 2025 - 2026
OPC UA demo wall

OPC UA Demowall

OPC Foundation has built up a modular, tile-based demo wall – the pictures below gives you an overview about the already existing Demowalls.

This demo wall concept gives us the flexibility to easily place OPC UA at different marketing opportunities like trade shows with different vertical focus.

The document is about how to get your company logo with your OPC UA enabled device to the wall. Please note this opportunity is exclusive for OPC members only.

OPC UA Demowall – FAQ

Q: Who can edit products on OPC Web for my company?

A: Your Designated Representative has all access datas to edit on OPC Web

Q: Who is the Designated Representative for my company?

A: Navigate tp OPC web member page <https://opcfoundation.org/members>, type in your company name and see the registered Designated Representative of your company.

Q: What if we get certified our product after mounting on OPC UA Demo Wall?

A: OPC Foundation has “certified-stickers” to put them later to the tiles

Q: What happens after the end of the contract period

A: Fill out a new contract for further 2 years. If you do not want to continue to display your device we will dismantle and send it back to you.

If you have any further question please get in contact to office@opcfoundation.org
